

# Integrating the Arts

*a VSA arts of Minnesota*

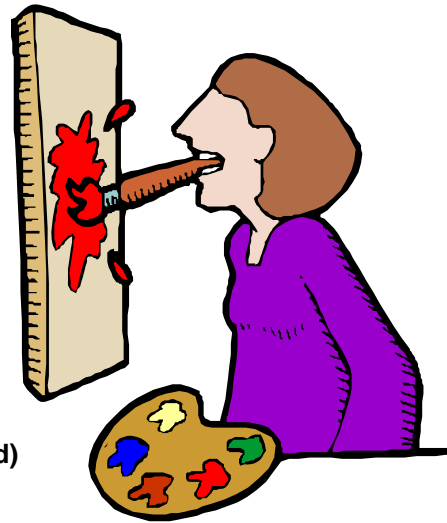

Workshop for Special Education Teachers

**Thursday, August 7th, 2008**

**9:30 am - 3:30 pm**

**Perpich Center for Arts Education (proposed)**

1625 Olson Memorial Hwy, Golden Valley, MN 55422

Come join your peer educators as we learn new strategies for teaching life and academic skills through the arts!

## ***This workshop will include:***

*\* Inspiration of how the arts can be used as a tool to empower students with disabilities to succeed in school and life.*

*\* Gain awareness of opportunities available within the arts for students with special needs. Learn how special education teachers can gain new ideas from teaching artists and continue creative experiences after a program ends.*

*\* Interactive activities and examples of how visual arts, theater, music and movement can be integrated into daily special education classrooms and curriculum.*

## **Registration**

**Please complete this registration and return it with your check to VSA arts of Minnesota no later than August 1, 2008!** Registration fee of \$25.00 per participant. A simple lunch will be provided.
